WHAT ARE STUDENT EXPECTATIONS FOR GRADES, ATTENDANCE, AND CONDUCT?

- CCA Team Commitment Policy:**
 1. Rules for any school-sponsored athletic event will be in conjunction with rules and policies in the CCA student/parent handbook. We expect our athletes to be leaders and set good examples at all times, in every situation at school and off campus. The discipline codes will coincide with the Discipline section of the Student/Parent Handbook

2. All athletes must maintain passing grades in four core subjects per semester. If an athlete receives a failing grade in a core subject at the 9-weeks, he is on probation. Test grades must be submitted weekly to the Athletic Director and School Counselor. Students will be on probation for the rest of the semester. Any test grade in the failing subject below a D during probation will result in athletic suspension for four weeks or the end of the semester. If passing grades are not achieved in four core subjects, the athlete is suspended for the rest of the season. No game play (practice is permitted) during probation.
3. Academic eligibility is reviewed at mid-terms and quarters. The student-athlete and parents/guardians will be notified via email that the student-athlete is on probation.
4. A student must attend school to be eligible to play in that day's contest, unless pre-approved by administration.
5. Discipline: if a student-athlete receives a yellow card/technical foul or that sport's equivalent of a "flagrant action", the student-athlete may meet with the AD and a redemption plan will be determined. The student-athlete may be suspended for one game unless determined otherwise by the AD and/or Upper School Principal. If a student-athlete is ejected from a contest, the student-athlete may meet with the AD and a redemption plan will be determined. The student will serve a two-game suspension unless determined otherwise by the AD and/or Upper School Principal.
